

Aberfeldy, 25th of December 2011

Dear Friends,

As we are now approaching Christmas 2011 and in a few weeks the New Year, after all the hard work in the last few weeks planning and preparing two of our Aid transports to Eastern Europe, writing letters and answering many emails and requests, finally I have found some time to put “pen to paper.”

This year has been an amazing one, and looking back at all the hard work and effort Humanos has achieved in 2011, it has like we say in Scotland, been absolutely GRAND!

A special thank you to the volunteers for giving their time and energy in helping move Humanos into the next phase and reaching the goals we have set ourselves in 2012 and beyond.

Our World

The economic and environmental changes needed to protect life on Earth, in helping our fellow citizens, as we know will take an extraordinary effort and goodwill of each and every one of us including governments and organizations all over the world.

It is my sincere hope and wish for 2012 that the spirit of friendships and cooperation will triumph, enabling us together to chart a safe passage for present and future generations in these hard economic times.

May I take this opportunity in wishing you a peaceful Christmas and a good start in 2012 and thanking you for supporting us.

Truly yours,

(Founder/Director) on behalf of
Humanos Aid International.
